

# JUPITER RANCH ART STUDIO

Presents

Nicholas Pearce

COLLABORATIVE WORKSHOP

Acrylic Painting

March 19th 7-9pm March 20th & 21st 9am-4pm

Price: \$225.00 Workshop limited to 9 participants

This workshop is a collaboration between Nicholas Pearce and his students. Each student will paint their own image using the techniques of gridding, large brush and canvas and limited palette that Nicholas Pearce teaches. This is an ideal supplementary workshop for those who have already experienced a class with Nicholas. It is also a great way to be introduced to his teachings for those who haven't yet had the privilege.

We will be working on canvas around the 30"x40" size, painting with a single, specific 1 1/2 inch sash brush and just using four colours plus white acrylic paint. It's a challenging, entertaining and thoroughly enjoyable workshop that's open to all skill levels.
